Special geocaches have been hidden at more than 60 sites throughout the Chesapeake Bay region. Information about each site can be found on www.FindYourChesapeake.com. When you discover a Find Your Chesapeake geocache, record the site, date, and code in this passport. The first 350 people who find and record at least 20 geocaches will receive a commemorative geocoin. Good Luck!

To receive your coin, send your completed passport to:
